Our Favorites....so far

I have been asking for your favorite hymns. Here is the list that I have collected.

Now what will be done with this list? I will give it to Martha who in coordination with me selects the hymns for our worship services. This will NOT be a list of "approved" hymns. Martha will continue to select hymns that fit our worship themes, but if one of our favorites fits the theme then it might be used. Otherwise this list is for our entertainment.

I notice that the list contains mostly familiar hymns that have been a part of our church's worship services over the years. The favorites seem to be of the same style and of the same era, which is not surprising since they are our favorites.

Now I'll ask you: What do you notice about these hymns?

What does our list say about our worship services? About our church?

Tell me what you think.

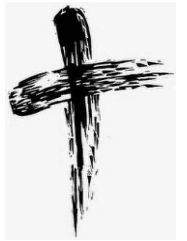

Dann

The 2017 Women’s World Day of Prayer will take place on Friday, 3rd March.

The World Day of Prayer is a worldwide ecumenical movement of Christian women of many traditions, in more than 170 countries and regions, who come together to observe a common day of prayer each year, and who, in many countries, have a continuing relationship in prayer and service.

Its motto is “Informed Prayer and Prayerful Action”

The theme for this year, chosen by the women of the Philippines, is ‘Am I being unfair to you’. On Friday 3rd March, a wave of prayer will begin at the break of dawn on the International Date Line and conclude at sunset on the date line 24 hours later. Over 180 countries will take part representing all continents.

Through World Day of Prayer, women affirm that prayer and action are inseparable and that both have immeasurable influence in the world.
