What Shall We Do?

Well spring is supposed to be here. As I write this newsletter note a forecast of snow is being projected for Russellville. Not very spring like! Still, if I could, I'd like for us to look to the season of Easter; which is the season of New Life.

A few weeks ago I asked the congregation to submit ideas to enable our church to "Reach Out" into our community. I asked for ideas that would give our church some recognition. I hoped these ideas might turn into outreach ministries for us. Here are the ideas that have been submitted:

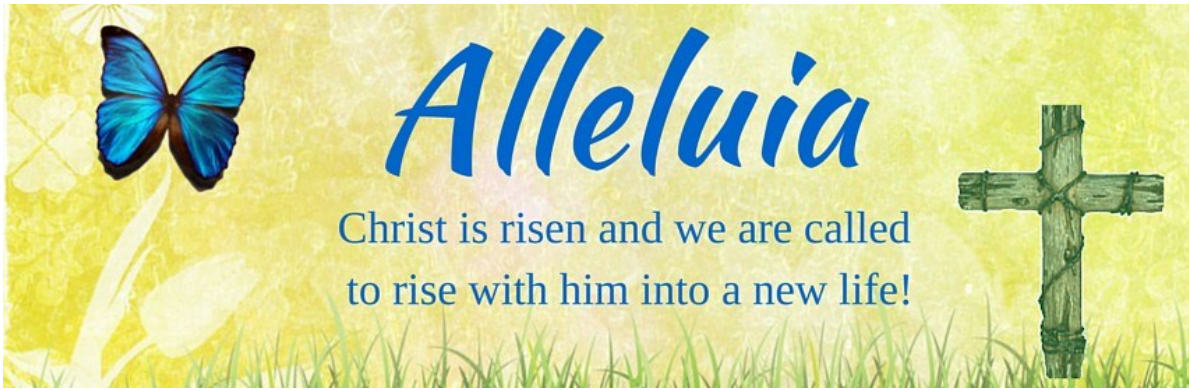

Ideas about our church REACHING OUT

- Survey Schools asking "What's needed?"
- Work with schools and Kiwanis to support needy children
- Promote unity and fellowship with meals together
- Radio Spots
- Ways to feed the needy (children)
- Establish English as Second Language Program
- Tutoring Program
- Order FCC note cards to use in correspondence
- Work with First Presbyterian BINGO at Creekwood Manor
- Support stressed professions: nurses teachers etc.
- Set up I phone charging stations in the Logan County Hospital waiting rooms
(to help families in traumatic situations with needed communications)

Let me know:

- Projects that you think might work
- Projects that you would support with your enthusiasm, energy and resources
