A message from Rev. Dann

An Interesting Action From The Board

At the January Board meeting a proposal was approved to allow the Worship Committee to have an “occasional” Sunday that was different. This does NOT mean we will be changing our regular worship services. It means that once in awhile we will plan to bring some special or different elements into our usual Sunday morning service. For example: we may invite folks to present special music; we may change the order of worship; we may worship in a different way or a different place; or we may try to sing a new song.

None of this means we are planning to permanently change worship. We only want to create some moments of interest to deepen our spiritual experience. So before and after these special Sundays we will have our normal, usual worship services.

The group coordinating these special Sundays is: Gayle Goley, Judy Suiter, Martha Foster and Dann Masden. If you have ideas for these Sundays, please contact any of the folks in the planning group. We’d love your input.

Let’s start with sending in your favorite hymns and songs. Write down five (5) of your favorites and turn them in to anyone on the planning group or drop them in the offering plate on Sunday morning. I’m suggesting five (5) because 100 each would be too much for us to process and use in a reasonable length of time.

Get started with this list.

My favorite hymns and songs are:

- 1.
- 2.
- 3.
- 4.
- 5.
