Larry's Lines

*** THANK YOU:** I guess this is my first "official" newsletter article since becoming your pastor. SO, what can I say but THANKS. Your welcome, the installation service and lunch were just wonderful. I am thankful to be your pastor, and as I said Sunday, I do believe that the Lord led us to minister together.

***WHERE DO WE GO FROM HERE?** First, we continue doing what we do well-- we meet to worship every Sunday morning. We sing together, give our offerings, worship through in Communion, and hear from the Word of God. I appreciate your participation and I look forward to having more of you to lead out in the worship service.

Secondly, let us continue to minister to the community through Lucy's Closet and Good Samaritan. But what else can we do to show the love of God to the people of Russellville and the surrounding area?

***NUMBER ONE GOAL:** I think all of would agree that seeing more people in worship is one of our top goals. So, would you ask yourself two questions: One, what is attractive about our church and what would turn people from attending? Secondly, how can we work together to make this happen, and what can I do?

See you Sunday,

Larry
