“A Branch will come from the stump of Jesse;
from his roots a Branch will bear fruit” Isaiah 11:1

“And the Word became flesh and dwelt among us” John 1:14

Greetings from your Pastor,

It's hard for us to imagine with our finite minds comprehending what these words really mean. The fact that God brought an infinite eternal being into a world with limits and came from a lineage of earthly human faulty ordinary people is beyond comprehension. However, this is exactly what we celebrate at Christmas. The Creator coming to earth to commune, love and redeem his own creation is what Christmas is all about. What a gift!!!

Jesus is God's agent of creation (Colossians 1:16). God speaks and His words became reality – He is born as a baby that could not speak a single word. It seems like Christmas has one paradoxical thought after another. He was born to die. God who is invisible came to us in flesh. Son of God and Son of Man. Born innocent yet born to carry the sins of the world. Christmas, Jesus the Greatest Gift Ever Given!!!

As followers of Christ we are commissioned to tell this wonderful story of Jesus' birth, death, burial, and resurrection. This will be my Advent sermon series this year: A Branch of Hope; A Branch of Joy; A Branch of Peace; A Branch of Light.

I hope you will join us each week as we celebrate Christ's birth during these difficult times.

I encourage you to make this old popular phrase “Jesus is the Reason for the Season” a true reality in your life and your family's this year. The movement in our culture to make Christmas a secular holiday will only be weakened when Christians remember the story of Bethlehem, the shepherds keeping their flocks, the angels singing peace on earth, and that Jesus came as Savior of the world.

Merry Christmas,
Your Pastor & Kay
