## LARRY'S LINES

\*THE SEASON OF ADVENT began last Sunday, a time that we began to prepare our hearts for the Coming of Christ. Of course, we know that He has come, but celebrating Advent gives us the opportunity to renew our awareness of Our Lord and sense His presence in our lives. Each Sunday in our service and each of the Community Advent Services each Sunday night through December 18 Advent will be the emphasis. We will host on December 11 at 6:00 p.m.

\*THE SEASON OF GIVING is also here, although we know it has no beginning nor end because giving to others is always in season. As you think about gifts for friends and family why not consider finding ways to give to others who are in need? There are several ways in our community to give, including our school systems. Check with the Family Resource Center in any of our schools to find what you can do. Let us remember that Christmas began with giving— God sending His son to earth for our sins.

I trust I will see you this and every Sunday.
