

The Communicator

First Christian Church, Russellville, KY June, 2024

LARRY'S LINES

*STORMY WEATHER: I am writing this on Wednesday after "The Storm"-- No electricity, no internet, no worship service and a lot of inconvenience. I am not aware of any major property damage that any of you had, and I feel sure all of us are safe physically. For that we are thankful.

*CONGREGATIONAL MEETING: Not only is June 16 Father's Day, it is also the date of our Annual Church Meeting. This will take place after the morning service. We will vote on the budget, officers and committee members for the new church year. Also, if you have been considering becoming a member of First Christian, that would be an appropriate opportunity to express your desires. If you would like to talk to me about this decision please let me know.

*ICE CREAM: Put July 23 on your calendar. That night we will host an "Ice Cream Block Party". Details are still coming but the purpose is to reach out to the unchurched in our community, especially those who live in the area surrounding our church building. Please listen for what you can do to assist in this.

*VACATION: I know several of you are planning vacations for this summer. Please have fun and return to us safely.

In Christ,

Larry
