#### LARRY'S LINES

Spring is definitely here, but summer is right around the corner. What does this mean for you? Let me list a few things that may affect you:

\*Spring storms: have you been impacted by excess rain or high winds? If so, and you need any assistance in recovering please call me or the church office.

\*Warmer weather: Most people like summer over winter. If you do, I trust you will make sure you get out on Sunday mornings and worship. We do not take a break, we gather each Sunday for worship at 10:45 a.m. This is also a wonderful time to invite your friends and neighbors to worship with you.

\*School is out: you may be attending a college or high school graduation. I trust that if you someone close to you taking that next big step that they will be blessed with all the support they need to keep going forward. I pray that they will trust the Lord for their future.

\*Summer vacations: if you are planning a getaway, enjoy the rest and relaxation. If you can, find a place of worship and fellowship make some new friends and fellowship with them. Then share your experiences with us. Carolyn and I will be taking a trip of our own the last of June.

Rev. Dan Madsen will be preaching on June 29.

I look forward to seeing you this Sunday and every Sunday at 9:30 for Sunday School and 10:45 for worship.

Yours in Christ,

Larry
