Greeting from your Pastor:

YES! What a beautiful word, right? That is a word we are privileged to hear many times a day. My favorite time to hear it is when someone says **YES** after I shared Jesus Christ with them and they accept Jesus Christ as their Lord and Savior. Each time we read our Bibles or Pray, God says **YES** to us and blesses us with His wonderful and bountiful riches. What is more amazing is that God continues to say **YES** even when we repeatedly say **NO** to God through our words and actions.

What a better time to say **YES** than now. Will you say **YES** to God? There are many ways that you can do that now, in the difficult times we live in. As I write this, there are ladies in our church who are making mask and donating them to our community.

We can say **YES** by choosing to treat others as we would want to be treated. We can say **YES** by refusing to participate in negative conversations that sow division and hatred on social media. We can say **YES** as we celebrate communion by reaffirming our beliefs and faith of God's death burial and resurrection. We can say **YES** when we give our tithe and offerings to FCC Russellville. We can say **YES** when we support our church by using our gifts God has given us to serve our church and the community.

What gift or gifts do you have? It can be as simple as making a phone call and letting someone know you are thinking about them and praying for them. Every one of us has at least one talent and many have several. God calls on us to say **YES** and to use our talents & gifts in service to God's Kingdom to work through the church to show the world what God's Love and Grace really looks like. We need each person to do their part in sharing that love and grace. I challenge you to pray and ask God to show you specifically your gift or talent you can use to serve Him. Be ready to say YES because God will answer your prayer. Happy Serving!!!
