Larry's Lines

Spring is here, even with all of the cold snaps we always have—winters as we call them: redbud, dogwood, locust, strawberry, blackberry, and some I have omitted. Leaves have come out, flowers have bloomed, and people are anxious to plant gardens and reap the harvest.

Spring is an excellent time for us to have a spiritual garden. Talk to your friends about your faith in Christ, invite them to worship with you, help those in need in the name of Jesus. You may be planting the seed in someone's heart, or you may be watering the seed already planted by someone else.

Invite your family and friends to worship with you. And don't stop after one invitation. Keep asking but also tell them how important attending services is to you.

In writing about comparisons of ministers Paul wrote in 1 Corinthians 3: "What then is Apollos? And what is Paul? Servants through whom you believed, even as the Lord gave opportunity to each one. I planted, Apollos watered, but God was causing the growth. So then neither the one who plants nor the one who waters is anything, but God who causes the growth. Now the one who plants and the one who waters are one; but each will receive his own reward according to his own labor. For we are God's fellow workers; you are God's field, God's building."

I trust I will see you this Sunday and every Sunday at 10:45 a.m.

In Christ,
Larry

Pastor Larry will be on vacation May 8-17. Enjoy...safe travel!

NATIONAL DAY OF PRAYER May 4, 2023

Noon Service at Old Court House

The National Day of Prayer is observed annually on the first Thursday in May. This day observance, designated by the United States Congress, asks people “to turn to God in prayer and meditation.”

For many, prayer is an integral part of daily life. Prayer offers a rich connection to our spiritual lives, nurturing our relationships and faith. It also provides comfort in times of crisis or need.
