LARRY'S LINES

MAY CELEBRATIONS

Every week we can celebrate the grace of God in the lives of family and friends. But May gives us extra opportunities to give thanks.

Worship: We have seven opportunities to celebrate the love of God and the life He gives us together. Four of these are on Sundays and three on Wednesdays. As usual we will be meeting every Sunday at 10:45 a.m. for worship. In addition, on the first three Wednesday nights of the month we will be finishing the first half of the study of James (we will conclude this in the fall). Even if you have not joined us for the study so far come between 6:00 and 6:30 for a light meal and the study that concludes at 7:30.

Graduations: These ceremonies begin this week and continue through most of the month. Congratulations and blessings to all who have come to this important step in their lives.

Mother's Day: Whether our mother is still with us or not, we still take time to remember the one who gave us life and/or the one who gave us motherly love we needed. God expects much from mothers but seems to give them grace to train the young ones and to endure the difficult times that many mothers have to endure.

Memorial Day: Originally begun to honor soldiers who died in the War between the States this day has evolved into a time when we honor all veterans who lost their lives in battle. Many people also remember and honor family and friends who have gone before us. My family tradition was to visit the graves of my grandparents on this day. Take time to remember someone special to you.

I look forward to worshipping with you this and every Sunday.

Lift up the Word—Light up the World

For many, prayer is an integral part of daily life. Prayer offers a rich connection to our spiritual lives, nurturing our relationships and faith. It also provides comfort in times of crisis or need.
